

# Picture Frames Quilt (Please Return Pattern)

- 24 – 5” x 8” blocks from 3 Fat Quarters (**Focus Fabric**)
  - Cut 8 blocks (5"x8") from each Fat Quarter. See example.
- 48 – 2” x 8” strips (**Sashing**) [3/4 yd of fabric]
- 5 – 1 1/2” Inner border strips (from **Sashing** fabric)
- 5 – 3 1/2” Outer border strips [1/2 yd of fabric]
- Finished size is approx 38” x 53” (Sew 6 rows of 4 each)

## Please Return Un-Used Fabric

1. Sew **Sashing** strips to the 2 opposite 8” sides of **Focus Fabric** block, as shown. Finished Blocks should now measure 8” x 8”.

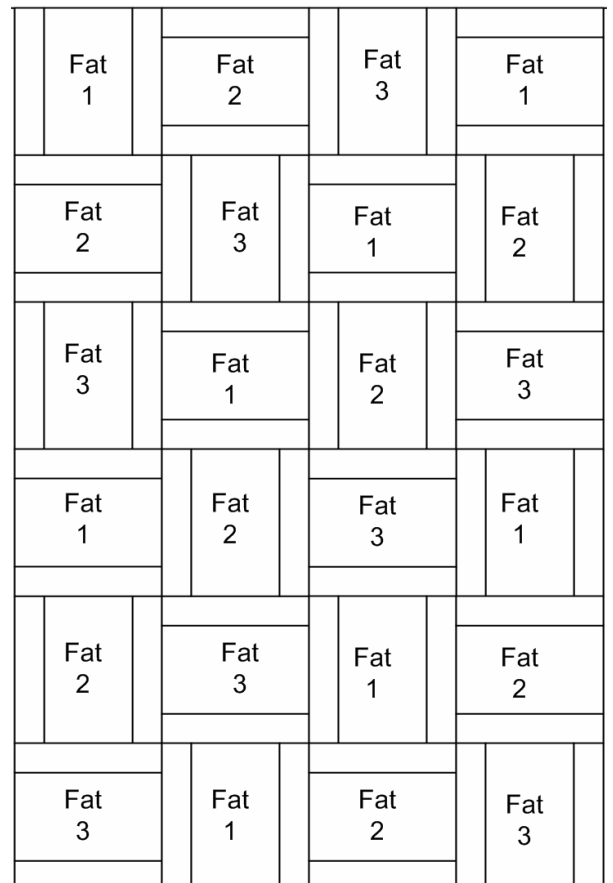

**Note:** The example shown identifies the three Fat Quarters used to create the Focus Fabric blocks as "Fat 1", "Fat 2" and "Fat 3".

2. Sew the 8” blocks together, alternating the direction of each blocks, into rows of 4. Total of 6 rows.
3. Sew the rows together, making sure to alternate the directions of the row above.

**Note:** For the next steps, refer to the "Example of Finished Quilt" on the next page if needed.

4. Add side Inner borders.  
Add top and bottom Inner borders.
5. Add side Outer borders.  
Add top and bottom Outer borders.
