

### **AASK Charity Quilt Guidelines**

Quilt kits are available at monthly PAQA meetings to be sewn at home. Members may also make/donate quilt tops made from their own stash. We will accept most for donation but prefer the following sizes.

1. SUGGESTED QUILT SIZES

- 38" x 48" Young Child
  - 38" x 57" Older Child
2. When possible, make the quilt gender neutral.
  3. Quilts should have a PAQA label sewn on the back. You can get a label from the Community Service Chair.
  4. Please wash and dry completed quilt with scent free products.
  5. If there are prairie points or flanges used in creating your quilt, please sew them down to help those who quilt using the long arm machine.
