Under 30 Days Prior to Retreat Start

Cancellations made within 30 days of the retreat start date qualify for a 50% refund (minus credit card fees) only if the retreat is full and a waitlist is active, and only after a waitlisted participant fills the cancelled spot and are paid in full.

Transfer of Seats

Attendees may not sell or transfer their retreat seat privately. All openings must be filled through the official waitlist to maintain accurate registration and retreat management.

Please note: The booking system waitlist determines the date/timestamp of cancellations and automatically sends an invite to the next person on the waiting list. The invite expires after 24 hours. The system then sends an invite to the next person on the waiting list.
